May's Minutes were approved and accepted

Treasurers Report: Donnie advised us there is \$16,295.00 in the general account. The total account has \$23,065.00 but the extra money belongs to the various team accounts.

He also gave us the thank you note from Kerry Eaton for the scholarship.

Athletic Director: Nothing really new to discuss this month. We are waiting for some estimates on the new trophy case for the high school.

Scholarships: We had a discussion regarding changing the requirements of the scholarships and the descriptions. We did a rough draft that will be sent to the board members and we will discuss this again and then do final requirements change.

We also discussed the Booster Calendar's for 2009-2010. Jen was going to send out letters to the previous sponsors to see if they will continue there ads for the 2009-2010 season. Jen will e-mail us to let us know how many slots we will need to fill.

Fundraising: Cathy showed us a couple of shopping bag samples. We all like the bags she showed us. The concern was the minimum order of 3000. We all felt that was too many. Cathy was going to call a few of the vendors and see if they would lower the minimum order. It will be discussed again at the next meeting.

We did look at a couple of stadium seat cushions but felt they were cheap and we need to look at more expensive samples. Patti was going to order some new samples and this will be brought up again in the future. Mary was also looking into some prices on this.

We voted in the 2009-2010 Board Members:

President:	Patti Akrouche
Vice President:	Mary Bushway
Secretary:	Susan Jacobson
Treasurer:	Donnie Owen
Membership:	Sherie Fair

The meeting ended at 9:10 PM
